FOR COMMUNITY

- Community Networking and Collaboration
- Cultural and Ethnic Issues, currently as it relates to Veterans and Other Disenfranchised Groups (e.g. WIOA/FSET/W-2)
- Holistic Treatment Services for Substance Abuse & Mental Health
- Women and Minority Issues, in a Lay & Professional/Academic Setting, Focusing on Mentoring Relationships of all Kinds

TSI's ongoing vision is to continue providing substance abuse treatment and training. The program focuses on the unemployed, underemployed, employees, and business owners. One of our company goals is to offer mental health and substance abuse care to everyone with a focus on communities of color, and in doing so increase the number of minority providers in this specialization. TSI also offers training for the Prevention Specialist/in Training, as well as the advanced licenses Clinical/Substance Abuse Counselors, Intermediate Clinical Supervisor, Independent Clinical Supervisor, as well as sub-specialty substance abuse education and supervision for the Mental Health- Licensed Professional Counselor (LPC). TSI hires our students, and/or provides on-site job referrals and functions as a consortium: Students that participate in our incubator can subcontract from us as well as gaining access to our microloan program. Our therapists have a wide range of expertise and backgrounds, offering customized EAP and support through a wellness approach.
