

## Understanding and Supporting the Emotional Health of Our Students

# *Transformation Services Inc.*

**TSI**

*Changing Lives, Changing Communities and, now Changing Health Care*

### Are you able to obtain, renew, or improve your Substance Abuse Credential?

State licensed personnel provide low cost and community-oriented *Introductory Education and Supervision* (100/40 hours) for the Jurisprudence Exam needed for Substance Abuse Counselor-in Training (SACIT), and Prevention Specialists in-Training (PSIT); *Advanced (C/SAC, PS) Education* (100-360/40-120 hours) and *Supervision*; *Specialized Education and Supervision* (30 hours) for the IMCS, ICS approved by the Wisconsin Department of Safety and Professional Services. CEU's available as well.

The Department of Labor predicts a 31% increase in jobs by 2022. *Transformation Services Inc. (TSI)* accepts job-related tuition reimbursement and, depending on your current employment status, you may be eligible for state Workforce Innovation and Opportunity Act (WIOA) or Department of Vocational Rehabilitation (DVR) funding; this may cover the tuition and materials for the course. We also accept the *GI Bill* and the *(MyCAA) for veterans' spouses*. Call or email for program information format, cost etc.

In general, we accommodate most schedules, and offer Winter/Spring, Summer, and Fall/Winter semesters (either distance or in-person). This is consistent with other academic programs that the student may be enrolled. Our AODA training program is personalized, cost/time efficient, and offers a gateway into the mental health care profession or accentuates the credential a license holder may already have. Don't delay. TSI is in 21 states including yours.

Wisconsin Substance Abuse Licensing Expires Every 2 Years- February is the renewal month. It's never too late or early to obtain, keep or improve your credential.

## **Substance Abuse Counselor in Training**

### **Clinical/Substance Abuse Counselor**

#### **CONTENT AREA/GOALS**

#### **HOURS**

#### **Case Management**

**10-60**

Student/Trainee will be able to revise and coordinate the case management aspects of a treatment plan. Special attention will be paid to co-occurring, medical and psychological disabilities including prioritization of client/patient plans. This will be practiced by student and observed by supervisor at least three times weekly. Student/Trainee will be able to coordinate referral and discharge to community including assessments of support system (s). Regular participation in Case Conferences etc. will be a requirement.

#### **Assessment**

**15-60**

Student/Trainee will be able to collect pertinent data about client/patient system incorporating knowledge of co-occurring medical/psychological disorders including information on Addiction, Motivational Interviewing, Psychopharmacology, Suicide/Depression, Mental Illness, Child Abuse and Domestic Violence. The Clinical Supervisor will be able to evaluate this knowledge, and student will be able to practice this skill three times weekly. Student will be able to gather sociological, biological, cultural, educational, environmental, spiritual, familial data into a DSM-V diagnosis and treatment plan.

#### **Counseling**

**15-60**

Student/Trainee will know, describe and apply the fundamental basic counseling, and substance abuse techniques, and theories (e.g. Psychoanalytic, Behavioral, Developmental, Cognitive, Matrix Model, 12 step etc.) Student/Trainee will be able to provide individual, couple, familial and group therapy. This will be practiced by student and observed at least three times weekly. Student will be able to handle crisis situations, relapse/prevention etc.

#### **Education**

**15-60**

Student/Trainee will be able to disseminate information (ex. AODA, TB, HIV-AIDS etc.) information to clients/patients, family, couples and other support systems. This also includes disseminating information on psychopharmacology, biological effects of alcohol/drugs on the human body, and basic physiology. Student /trainee will be able to provide skill (Assertiveness, Communication, Stress-Anger Management, etc.) training to client/patient (s).

#### **Professional Responsibility and Ethics**

**20-60**

Student/trainee provides an ongoing open-ended discussion regarding: Client Welfare/Grievance/Confidentiality, Professional Boundaries & Responsibility, AODA Use, Remaining a Clean and Sober Counselor, Criminality, Criminal Behavior/Criminal Thinking, Staying Out of the System, Personal Relationships, Socio-cultural Competence, and Power.

#### **Elective**

**25-60**

Student/Trainee will develop their own business plan/model that focuses on assessments, case management, counseling and education of an underrepresented population (e.g. Women, Latinx, African-American, Native American, Ex-Offender, Veterans, Transgendered/Gay, etc.) Students develop mini-business plans; information is given on LLC vs. INC, For/Non-Profit, DHS 75, Minority/Women Ownership/Certification.
